

INSPIRATION & SELF-BELIEF

Be the best
version of
you

Choose to
shine

Without
change there
would be no
butterflies

Let go of the
past and the
past will let
go of you

Strong women.
May we know them,
may we raise them,
may we be them

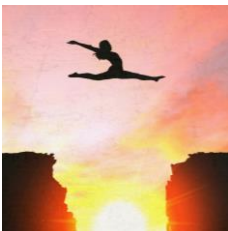

She needed
a hero so
that's what
she became

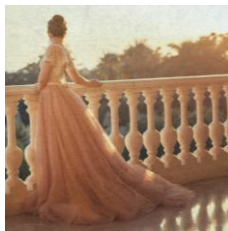

Diamonds
are made
under pressure

Life cannot
break me for I
know how
strong I am

Always
I rise

Find a way

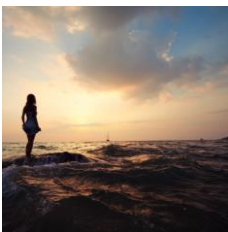

Give me the vision to see far
ahead, the strength to keep
going & the courage to soar

Everything
I need is
already
within me

I am an
empowered
woman who
empowers
others

I am brave.
I move forwards
with confidence

Dare to
dream

You are strong.
You are
capable.
You got this!

She who is
brave is free

I trust myself. I trust life.
Everything is unfolding in
perfect timing

Believe in
yourself.
We do

All things
are possible
if you believe

I am fearless
and therefore
powerful

Be fabulous,
be you

When life
pulls you
back, aim
forwards

Wear your confidence
like a crown and
hold your head up high
